“ Although I have not met every member of the family, Ashley has become very dear to my heart in recent months. I am praying for peace for everyone in her family and believe God is holding them in his arms through this time.

“ I'm so very sorry to learn of the death of your loved one. The Bible encourages us to "To throw your burdens upon Jehovah himself, and he himself will sustain you. Never will he allow the righteous one to totter." (Psalms 55:22)

Please know that your grandfather will always be with you even though not physically. You will always feel his presence when you return home.

“ Spense was a dear friend, and although we have lost touch since we moved away from the area, I still think of him often and remember all the great times we had while affiliated with Evergreen Vol. Fire & Rescue. Fond memories of a really kind, generous, genuinely nice person. He will be missed!
