“ Cindy and family, What a sad shock to open the Staunton Leader and see John's obituary. I remember the cold December night you were married. Come to think of it your wedding and Susie Patterson's were the only RHS friends weddings I attended. I remember meeting you and John on the street in Staunton when your first child was on the way and the pride and love on John's face. I guess the last time I saw the two of you was at our last class reunion.

I know you have the loving promises and comfort of our Lord and Savior and the memories of over 36 years to comfort you.

May you feel His loving touch every in the days ahead.
