“ I offer my deepest sympathy and condolences with the passing of John. He was a dear, sweet, and gentle man. I had the priviledge of working with John over the past few years, and cannot begin to put into words what a joy it was to work with him. John always had a pleasant and cheerful manner about him, and always seemed to bring at the very least a chuckle into every conversation. He will be greatly missed.

Kind regards,  
Leigh Blessing
