“ *We are so sorry about your loss. Maria, you and John have been some of our dearest friends. We enjoyed so many happy times together, having lunch at favorite restaurants, and attending a special family wedding. John always had a smile, and was anxious to chat about his precious family. He loved all of you so much. Lyle and John shared many "car" memories, especially John's remembrance of his "fast" driving days with his brothers. We will forever miss John. He loved God with all his heart. We pray for God's comfort and peace. May He hold you all in the hollow of His hand.*
