“ Dear Lisa and Family.

I was so sorry to learn of your Father's passing. He was a very caring and thoughtful man. I remember him waiting outside of K-Mart for your Mom after work. I thought that was so sweet. That is when I met him and that is how I remember him. I talked to him a lot, general conversation on how he was doing and he would ask the same. He struck me as a very devoted caring father and husband. I am sure he meant a lot to all who knew him well and especially his family. I know he will be greatly missed. He struck me also, as a very hard worker in his painting business, and I am sure he was very good at his craft. I know it is so hard to say goodbye to our parents and any family member, but they can rest now and John and Jeanette are now together up there, watching over the rest of their family and friends. I am still dealing with losing my mother in September this year, its very hard. I miss her very much!

I had planned on attending the viewing tonight, but the cold plays havoc on me with this arthritis, so please forgive me for not being there for you Lisa. Please forgive me for not attending tonight. God Bless you and your family. Take Care, Love, Cathy Cornwell and family
