“ I was truly sorry to hear of John's passing. Although I did not know him well, what I did know of him was that he was a true friend to my father-in-law, E. Clifford Sluss (E.C.), during the time they were roommates at Inova Commonwealth Care Center. I know that E.C. would probably not have made it out of rehab if John had not been there to look out for him and to and advocate on his behalf. I enjoyed John's sense of humor and the conversations we had during my visits with E.C. I wish him peace in his eternal sleep and hope you find some comfort knowing that he is no longer suffering.

“ Edye, please know that we are thinking of you and are sorry to hear about the passing of your father. Sounds like you come from a big, loving, extended family. Seeing that you are the only daughter, I'm quite sure that you had a special relationship with your fatehr. Over the years, I've heard about how you'd be having your side of the family over to dinner and what a jewel your grandmother is. Prayers and love to you, John, Andrew, and Ellie. - the Rolinciks

“ Chris - Just want you to know I am always here for you. I know that not only did you lose your Dad but also one of your best friends. It has been an honor to help you take care of your Dad during his illness. Let's meet at McDonald's and have a chocolate shake and cherry pie for Dad. He will always remain in our hearts forever.
