“ Life is like a movie camera. You press play and watch it. You can fast forward what you don't want to see. I wish I could press rewind and do it all over again with John and his family. He was always hospitable. My favorite memory is when I stopped to visit them on the my way to New York. I had a flat tire on my car. John said that he would have it fixed. John went out and bought a brand new tire. That is the type of person that John was. My family and I will miss him very much. Our sincerest condolences to the family. Love and miss you John.
