“ Dear Jean and family

*I am so very sorry for your loss. Jack was a good man, husband and father. It is sad to see a good person die early and I am sorry for your loss.*

*I will always remember the pleasure Jack gave all of us with his brilliant guitar and piano playing. It was hard to sit still when he got going and made everyone smile with his music.*

“ May it be a source of inner strength to know that there's a loving God watching over you, and that, throughout this time of need, He'll stay close by your side. Remember, God will take care of you and will give you rainbows after the storms. May you always be in harmony with the beauty and wonders of Gods world, and may His peace surround you at this difficult time. May you find comfort in the memories that are yours to cherish always, and strength in the companionship of those who share your loss. I have fought the fine fight, I have run the course to the finish, I have observed the faith.-2Timothy 4:7. As for me, I will lie down that I may sleep; I shall certainly awake, for Jehovah himself keeps supporting me. -Psalms 3:5
