“ So sorry to hear of Chuck's passing. I met Chuck at the rifle range and he made sure I got the long distance visitor concession....He told them all I was from NZ and that was far enough away to qualify.

*We kept in touch by email for many years...I will miss him greatly...rest in peace mate.*

“ We dated long before he met and married Pat. I remember those times fondly. Chuck was still in the Air Force then. We met at work at Arlington Hall Station (where I also met my husband). Chuck was so handsome...he really turned the head of this 19 year old. So sorry to hear of his passing. May the Lord comfort his family.

“ *Andrea, Jason, and the Green's Family. Our condolences to all. We had the pleasure in knowing Pat and Chuck for many years. Golfing at Chantilly Country Club, our night bowling league, and other outings together. One special trip was to Spain, along with the Smith's. We rented a Villa near the Mediterranean Sea. We had a little dictionary in Spanish and English. We knew that chicken was Pollo and milk was Leche. One time a mistake was getting buttermilk instead of Leche. We had a good laugh when we poured it on cereal. Another trip was when we and several couples met Pat and Chuck at the Anchorage Hotel in Alaska. Chuck's favorite was his Salmon fishing trip. In fact, he had the salmon frozen and shipped back home. His last email said, thanks Russ. I have finished three weeks few days of radiation, and three more weeks to go. Leaves me weak and tired but, that's to be expected. Knocks the heck out of you. "Rest in Peace together, FRIENDS." Bee and Russ Meadows.*

“ *My sympathy to the family. Chuck and I were friends from Chantilly National. A kind man who always seemed to have a story to tell or a joke to share.*

*'Eternal rest grant unto him, O Lord, and let light perpetual shine upon him. Amen.'*

“ We were very sorry to hear about Chuck's sudden passing. We had known both Pat and Chuck for close to 50 years. Chuck and I planned to have lunch in early May at one of his favorite seafood restaurants, Blue Ridge Seafood. I've played many rounds of golf with him at Chantilly and we were friendly competitors in the Chantilly bowling league. Chuck was a serious, but humorous, golfer, bowler, fisherman and hunter. He would jokingly complain about having to give our team so many pins in bowling, but as we told him, that is the price he had to pay for being such a good bowler and Chuck was a good bowler. Will miss his infectious smile, his emails, candid political opinions and the interesting stories of his fishing and hunting trips. Rest in peace friend,

Jason, Andrea and families, please know that you are in our thoughts and prayers.

Our deepest sympathy,

Pat and Sam Hollen

“ Chuck was a real nice guy , always had notin but good about people to say. I met him at the L.P. gas place he worked at next to Yorkshire Restaurant. We moved about 3 years ago and lost touch with people when we moved for Yorkshire.

“ Chuck was a friend of many years. In fact, he knew my little brother before he met me. It turned out that we had been in many of the same places overseas during the same time period and we loved to sit down and share stories from our different perspectives. He will be greatly missed and I'm thankful for the contribution he made to my life. Save me a place on the firing line, my friend.

“ I lost a very good friend. We first met in 1990 at Chantilly Country Club, which led to many fun years of playing golf, bowling and get-togethers with our wives. We would often meet for lunch at his favorite Red Lobster in Manassas. In January this year when we met for lunch Chuck was having difficulty speaking and thought he had laryngitis. I pressed him to check it out, as he didn't look good. He committed to see the doctor, and we continued to re-visit old times and family activities. After lunch as we left the restaurant, we hugged and exchanged personal thoughts. That expression of friendship was different from our usual handshake, as I believe we both knew this was a special situation.

*My sincere condolences to his family. Rest In Peace my friend.*

“ Chuck had a great sense of humor. Throughout the 2020 & 2021 Covid 19 period, Chuck & I would exchange, via email, jokes, funny cartoons, puns, groaners and occasionally some serious stuff. I think Chuck really enjoyed both the receiving and sending side of our exchanges. I know I did. Chuck would always acknowledge receipt of my emailings, often with a comment that was funnier than the material I sent. I'll miss him but will always cherish our friendship. Tom Monaghan

“ I had the privilege of being his neighbor for the past 6 years. Although I gave him the nickname "Cantankerous" it was all in fun as he was one of the most thoughtful and kindest man I have ever known. I will miss him sharing his sense of political humor with those who were lucky enough to receive them and I'll cherish those phone messages he left me thanking me for helping him out occasionally. It was my honor to serve this man!

*See you in Heaven,*

“ I was very saddened to hear of Chuck's passing. I will never forget and cherish to this day all the great times we had playing golf at Chantilly. Our weekend group always had the first tee time on the back 9, and Chuck was one of the bedrocks of that group. He made probably the greatest birdie I have ever seen. Chuck was honest, gracious, and always willing to help a friend. He also had a great sense of humor.

*My deepest condolences to Chuck's family. Rest In Peace my friend.*
