

John Gabriel Guarino

August 5, 1945 - January 1, 2022

John Gabriel Guarino, 76, of Gainesville, Virginia, passed away on Saturday, January 1, 2022. Born in Queens, New York in 1945, he was a graduate of St Johns' Catholic School. He then earned a Bachelor of Science in Financial Accounting from the New York Institute of Technology. He began his career working for AT&T in New York City where he met his beloved wife, Linda. He retired as a Financial Accounting Manager after working for many telecom companies in the Tri-State Area.

In his younger years, he was an altar boy and would often be found playing roller hockey, stick ball and baseball but his fondest memories were his summers spent on the Long Island Sound with his brother Joe, his cousins and family.

John was a proud Army Veteran who served as a Blackhawk in the 7th Armored Squadron, 1st Air Cavalry in the Vietnam War.

He was the ultimate family man who supported his wife, son, and friends fiercely. Whether it be Linda's desire to open a floral business or bring home one of her many animals, he always smiled and supported her. John was an active member in the community as a volunteer EMT for the Warren Township (NJ) Rescue Squad and spent countless years as baseball coach where he passed along his love of the game to his son. The love of the game was a

strong bond between him and his son, Jonas.

In his later years, he loved spending every moment he could around his grandkids. From picking them up from school to attending almost every one of their baseball games, he was and will always be their biggest fan.

“ Just heard of John’s passing today and my prayers and thoughts are with his family. We both attended St. Patrick’s grammar school for eight years and then St. John’s Prep in Brooklyn for the next four years, graduating in 1963. We lost touch after graduation as most friends do. I will always remember him as a good friend and will always keep him in my prayers.
