“ My heart breaks for all of John's family and friends. He was one of the nicest, sweetest and most caring individuals I have ever had the pleasure of meeting. He was always able to bring a smile to the faces of those around him and was always there to lend a hand when it was needed. John truly was the guy that would give you the shirt off his back if you needed it; even if he just thought you needed it. He was one of my husband's closest and most endeared friends and he will truly be missed by all in our family. Once again, my deepest and most sincere condolences on your loss.

“ My sympathies to the family and his wife Christine.

I met John and Christine on a tdy to hqs in 2002 and 2003 while assigned to National Targeting Center, formerly the Office of Border Security, and at Hqs with the Container Security Initiative Program. In both cases, I will remember him for his kindness, generosity, and just a fun-loving individual.

It is a sad loss! I know that he will be missed by many especially at the Targeting Center.

“ *I am so sorry to hear of your loss. John was the most self-effacing person I have ever met. I worked with John on the Customs Outbound Team when he worked in Newark. At that time, I was the only female on the team. My birthday is the day after his (9/20) and every year he would arrange to have a birthday cake for me. He would never include himself in the celebration, he just wanted to make someone else happy by acknowledging their birthday. He would buy a card and have all the guys sign it. That's the kind of person he was - a genuinely nice guy. My thought and prayers are with you.*
