

## John "Jack" Harar

September 30, 2024 - November 21, 2024

John T. (Jack) Harar passed away at his home in Manassas, VA. on Nov. 21, 2024 at the age of 80. The son of the late John and Virginia Harar, Jack was born in Chicago, IL on Sept. 30, 1944. The family relocated to northern Virginia where Jack spent his earlier years in Arlington and his retirement in Manassas. He is survived by his two children, John (Heather) and Deborah and two grandchildren, Tara and Jeb. Jack was the dear brother of Dorothy (Steve), Jim, Bob (Elaine), Martin (Sheryl), and Tom (Nancy). He will be dearly missed by 11 nieces/nephews and 12 grandnieces/nephews. Jack was a particular favorite with all of his family members. His quick wit, sense of humor, warmth and kindness made him a legendary figure everywhere he went. All the children in the family especially enjoyed his generosity and personal concern. And his faithful dog, Gypsy, always received the best of care. Jack could be seen daily on long walks with Gypsy in the center of Manassas where they never met a stranger. Jack served his country in Vietnam. For his combat heroism he was awarded the Purple Heart and the Bronze Star with Valor. The family will gather at a private memorial in December. Jack will be laid to rest at Arlington National Cemetery at a date to be announced.
