“ Dear Bonnie and family:
We love you and we are praying for you! As Jonathan said to David,
"thou shalt be missed because thy seat will be empty." We know
where John is and we will all meet one day above the treetops. We
love you dearly!

“ I remember John as always smiling, always helpful. He would drive the bus for an outing no matter how much pain he was in because he wanted to make sure the kids didn't miss out. It was always a pleasure to see John in the back of the church in his regular chair with a smile and a laugh and that word of encouragement and maybe a little teasing. Praise the Lord John longer has any pain and is now face to face with his Savior. We are praying for those left behind that the God of comfort and peace will lift you up and keep you in the hollow of his hand.

“*Mary Lou and I send our sincere condolences to you and the entire family. We meet John and Bonnie many years ago through my brother Jerry and Nella Mae Bush. From the moment we meet there was a bond because of Jesus. John had a sweet spirit who loved laughter and fellowship. Many times he picked on Jerry in fun of course but loved him until his death. Jerry loved him as well. I feel a part of the Bush family has left us but we have the blessed assurance we will see him again. To Bonnie who seems like our sister, we offer love and prayers of strength. To James and Teresa you both are a part of us as well. May God give you peace an much love through this time and especially after the funeral. We pray you bind together in love because that is what yor Dad would want---be strong for one another and be family. We love you with the love of the Lord.*”

“ Bonnie and family you have my deepest sympathy in your loss.

It always amazed me how John persevered through all the years since his retirement from the City. He sure had the desire to live.

I always looked forward to seeing you both at the retirement luncheons for the many years I attended.

John and I were neighbors growing up in Arlington, Va. where his mother and stepfather lived. I am sorry to hear of his passing and have many fond memories of him. My thoughts and prayers are with his family. I hope he reunited with my dad in heaven as they were good friends.

“ *I'll always remember your joyful smile even through the pain. I could always count on you being there at church whenever I came to visit Mom and Dad, greeting me like a daughter or long lost friend. You liked my fried cabbage and hamburger and I was happy to make it for you.*

*You will be forever missed by me, my family and your church family. By now you've thrown out your cane, skipping along those paths of gold, greeting old friends and making new ones. I'm glad you are with Jesus, our heavenly Saviour and that you don't suffer anymore. Until we meet again,
Love Jana*
