“ *Mr. Irvin (Papa) was a provider and protector who loved his family.. What I liked most about him was the love he had for his wife (Molly) the love of his life you saw it in everything he did, pure love; they were inseparable. He had such a witty sense of humor too, we would be sitting around table after breakfast or dinner and he would tell one his funny stories and have us rolling, i would laugh so hard, i would be crying in tears, in a class by himself, to know him was to love him..*
Many memories Papa..RIP...your other daughter, 😭
