“ I will never forget when you were 10 months old in your walker and we were all at Grandma and Granddad's house on Appomattox St. And you loved pulling the trash can over and then scoot yourself away from it and laughing! I haven't seen you in years but I love you so much! I know our Grandparents were there to welcome you into a new life! I know I will see and hug you again one day! Hope you meet Justin while you are up in heaven!

“ *We never met you but felt we knew you through the eyes and heart of your mother and her talking about you*

Your loss is your son's gain. Take joy in knowing that he is in perfect health and happy with Jesus and all the saints who welcomed him HOME. BECAUSE OF HIM
