John Walker MacPherson

(Jack)

February 7, 1948 – June 7, 2024

Jack was born in Washington, D.C. and spent most of his years in Northern Virginia. He served in the United States Armed Forces in the early 1970's, a Vietnam-Era veteran who learned how to love deeply through service. He met the love of his life (Teresa Drazdowsky), and they were married in 1982. This union produced 42 years of working together, playing together, laughing together and loving together.

Jack and Teresa had a family real estate business for about 30 years. When not working, Jack enjoyed all kinds of sports, excelling in baseball and volleyball. When the grandkids arrived, he was over the moon with joy. In addition to being a loving husband, he was a loving father and grandfather, leading by example, showing the importance of trusting in the Lord and the value of hard work.

He was passionate about his faith, and for the past 20 years, Jack was very involved with his church, Asbury United Methodist Church in Nokesville. He has held positions in the church culminating with the Chair Person of the Church Council. His leadership was an essential ingredient because of his

quick wit and loving heart. He was a true problem solver and team-builder. Jack passed peacefully at home with Teresa by his side, after several days of visits from those most important to him. He is preceded in death by his father, Stewart MacPherson, his mother, Frances Kibler MacPherson and his brother, Donnie MacPherson. He is survived by his loving wife, Teresa, his daughter Kristin Barger (Evan) and his grandchildren, Jack and Jane, his niece, Kimberley Palmisano (Dan) and his nephew, Todd MacPherson (Amy) and several grandnieces and nephews.

If you choose, in lieu of flowers, a donation can be made to Asbury United Methodist Church in Nokesville – Jack’s home away from home.

“ I have very vivid memories of my first encounter with Jack. It was through search and rescue and Jack was learning to search and train his yellow lab Magoo.

Jack and Magoo were a perfect pairing, both gangly, happy and energetic. Often I would hear Jack tromping through the woods happily chatting with Magoo or whoever else was with him. He just always seemed to be smiling and that made everyone around him smile.

Teresa, I can't imagine the loss you are feeling. You and Jack are one of the few fortunate couples who really were just perfect together. I feel so blessed and fortunate to have known Jack. You will be in my heart always...as will Jack.

With my deepest sympathies and love, your friend Sharon.

“ Dear Teresa, you and Jack will forever be the best neighbors ever! I remember when we first moved next door, one day I heard this boisterous and jolly voice bellowing through the trees. It reminded me of my favorite uncle. And when I met Jack, his kind and gentle spirit matched that melodious sound that offered great memories and comfort to me. When I met both of you, I thought, what a nice couple. Spending time at each other's homes, laughing, good conversation and food sealed our friendship of over 35 years. As I said to both of you, "we're family". When my husband passed away in 2020, you and Jack were there for me. I'm so thankful I can be here for you.

Jack's voice is missing, but we will remember his kind heart, conversation and love he shared from heart to heart and breast to breast to so many. He was 1 in a million. We know Jack loved the Lord by the way he loved people. My family and I miss Jack. But he has received his reward. Rest on my brother. Teresa, my sister, you know I'm here for you now and in the days to come. May the Lord bless, comfort and guide you and your family.

Love you. Robin U. Fields

“ Teresa,

I am so incredibly saddened to hear of Jack's up passing. When I began working for you and Jack in 1987 I felt like I became part of your family. We had such fun times at Christmas parties, Halloween parties, baby showers, road rallies, playing charades and just hanging out at your house. I will cherish those memories fondly and will miss Jack dearly! Liz

“ Theresa,

Jack's passing has conjured up many memories of when we were so young. Me working in the clerk's office and you guys doing title work, seeing each other every day and the occasional night out. You and Jack were a great team. May peace be with you.

“ *Teresa & Family,*

I am so sorry to hear of Jack's passing. Jack and I first met when he was a Title Examiner for real estate closings and he would come to the Fauquier County Circuit Court Clerk's Office in Warrenton, VA where I worked as a Deputy Clerk in the Records Room. Jack would need copies of the land records for his research and I was the employee who made those copies. We became friends over the years and my husband Roger and I would visit Jack at his home for dinner sometimes. He was so full of life and he would make me laugh! I lost my husband Roger to cancer in October 2023, so I know how difficult his illness must have been these past few years. Memories of all the good times help get us through the sad times. Please know that my thoughts and prayers are with you, Teresa. May God grant you peace and comfort now and in the days ahead.

Teresa, I do not know you or your dear Jack but I had to say, I have never read such loving and dear remarks about our departed. I lost two children but I was in no state to write obituary. It was written by the funeral director. It did not say what I would have said but yours is loving and to the point.

There are so many loving memories shared by co-workers, employees and dear friends. My prayers will ask for peace for you and your family
