“ My deepest condolences to the family in the loss of you dear loved one. May you find comfort in knowing God cares for you. He is close to those broken at heart (Psalm 34:18).

“ I'm a waitress at the silver diner, I met mike and Susan while working the fx location many years ago, how I looked forward to seeing them each and every time they came in the rest. I relocated to the Woodbridge rest. But kept in touch with Susan as often as I could. Then by surprise she popped in a few weeks ago and what a delete it was to see her,. She informed me then of Mikes condition. I will say an extra prayer to nite for Susan and the family, and I will think often of that man and serving him his blueberry cakes. God Bless to all , Bonnie DeCerbo

“ We first met Mike at church - he was our Sunday School Teacher for many years. We always admired him for the Christian man that he was and his service to our country. We felt blessed to know him and our love and prayers go out to his wonderful family. Bill and Diane Westen

“ There is misinformation on this website. Please do not send flowers or food, but make a donation to the Alzheimer's Association at alz.org or to a charity of your choice.

The burial at Quantico is for family only, however, we welcome you to see us on Thursday, July 14, to celebrate Dad's life.

I love you, Dad. I'm glad you are at peace now.

So many happy memories of the McConnell's, especially our pilgrimage to Israel in 1982. And Mike was a good friend and excellent Parish Council President. Rest in Peace and rise in glory!

Dear Susan, my sincere love and support to you and your family in this great loss. I am flooded with precious memories of our time together as young military couples--home-cooked meals, all-night bridge sessions and the ever shadow of the VN War. I know that you and Mike were great partners and your tender love evolved into cherished gold. May God's grace comfort and strengthen you in your days forward. Fondest regards, Ann Holt P. S. I regret that I am unable to attend the service as Donn is currently in the hospital. His condition is always precarious, but an infection has complicated things.
