“ I can remember a trip up into Cashiers, N C on one of my waterfall hunts and pulling into a parking lot and recognizing Uncle John all the way across that lot. His back was to me but I knew that no one else would be wearing a hat and britches like that, it was John and Mae, we had a great visit, I hadn't seen him in 15--20years but he was the same Uncle John as always.

“ Oh how I remember this funny story; Johnny worked for my Dad; Bobby Jones. He had a job and needed to finish quick so he got Johnny and James Powers to go do this job and the owner of the job said "Did you go by the nursing home to get them". Little did that man know that they were Real Bricklayers...
