“ John and I worked together at a customer location once...his easy-going smile and dedication were so appreciated there and at our company. Sometimes the days were long and hearing a joke helped keep everyone sane. I enjoyed catching up with him over the years and will miss seeing him. My condolences to his family.

“ John and I worked together many years across Scitor and elsewhere.....I specifically recall a contract we competed for and won back in 2005 where he landed the Lead Security Officer position at an offsite location near Chantilly VA.....blessing me with his supreme professionalism, never ending humor and unquestioned friendship.....I remember how much he and “Brender” loved our team dinners at Morton’s in Reston Town Center where John tossed out one joke or pun after another..... John filled everyone he came across with the joy of life he had for all things and we each became better people because of him.

*Rest easy now my friend.*
