“ To the Family: I wanted to send my deepest and sincere condolences during this unfortunate time in your lives, but I also wanted to share with your family a comforting promise that God gives in his Word the Bible about the hope of us seeing our dead loved ones again, it's found at John 5:28,29 which in part reads:"Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life,". Your family will be in my prayers, my sincere condolences.

“ Mrs. Steelman,  
I am very sorry to hear of John's untimely death. He was one of my favorite students at Southeastern. He said something one day in an assembly that I will never forget and I want to share that with you. We were talking about prejudice and bigotry and John said that we should not be prejudice against anyone because of their race because in reality there is only one race and that is the human race. John was a special kid with a heart of gold. He will be deeply missed. You and your family are in my thoughts.
