“ Finally tracked down John and devastated that this is where I found him. John and I were also best friends at RFA. We share the same birthday and met on the wrestling team, played soccer together and were inseparable until I moved away to MD. Even then, we reunited after he moved to Annandale. Loved my friend dearly and searched for him every year about this time as our birthday approaches. I hope to see you again one day, John, in a much better place. Rich Cockerham - League City, TX

“ John was my best friend at RFA, we went to Germany together, such fond memories. Sorry to lose touch, sorry to lose him thinking that there would be time to reconnect and reminisce. Good bye my friend

“ 33 years ago, I moved to Virginia, and met John pretty much right away. Thanks to John, I learned I loved volleyball; I would never cook as good as John; and I would meet many good friends and many memories would be made on Elm Street.

*John was a good friend, and a very caring member of my family for many years. Although life sent us in separate ways, my deepest sympathies and condolences to his family. - with love, Kathy Zimmerman*

“ I never met a more caring gentle young man than John. I had the honor of working with John for many years at a local hospital. I just learned of his passing yesterday and it hit hard. John was always a great friend and someone you could always depend on no matter what. We will miss his laugh, his humor and his unconditional friendship.
