“ *The Samsky brothers were always kind and thoughtful to my family over the 30 years we have lived in Independent Hill. Joe, Andy, and now John are all together again. Our thoughts are with your families.*

“ *John Samsky always had time to talk about the area and old times. My grandparents (the Turners) had lived in the Minnieville area for many years and Mr.Samsky added many stories. We watched him in his garden and always working. His story about being forced off their land in Quantico, well, now he is going home. God bless, Rose*

“ I am sorry to hear of Mr. Samsky's passing. One of my finest memories growing up in this area was riding my bike to Samsky's store to turn in my wrapper from a tootsie roll pop. If I ever got one that was printed with an indian shooting a star, he would let me have a free one! I would peddle my bike 4 miles to the store to get a free piece of candy! I loved that and always told my kids that story as I have raised them in this area. I loved his green tomatoes that always fried up so nicely...I didn't like that he would NEVER sell me cigarettes!!! =) Mr Samsky will be missed deeply...he was a part of my childhood, but will forever live in my cherished memories.

“ He will always be remembered as you share the stories and the memories of how he lived his life and how very much he meant, may you find comfort...And, throughout this difficult time, may you also know the deep sympathy and concern that is felt for you and all your family. I have fought the fine fight, I have run the course to the finish, I have observed the faith.-2Timothy 4:7. As for me, I will lie down that I may sleep; I shall certainly awake, for Jehovah himself keeps supporting me. -Psalms 3:5
