“ I worked with John (Clingstone) for years at Vulcan Materials, but has been a close co-worker for the past 9 years, unloading barges. He will surely be missed. Our Deepest Sympathy, Mike Phares and Family

“ What do I remember about Uncle John? I loved all the trips in the boat, going fishing, and clam digging! I remember all the gallivanting around to look at RV's and somehow going to Maryland. His love for motorcycles. John unsuccessfully attempting to educate us kids on how to sled down the hill. I love you John and you will be missed and remembered.
