“ *I met John close to 40 years ago, during the early years of my mortgage career and over those following years we did some business now and again. During the last 5 years or so, John and Geraldine would call to ask questions about interest rates, general mortgage questions etc and we would always catch up some on the phone They were both kind and considerate folks, and my prayers go out to the family, friends and all of John's co-workers over the years. Thank you too for your service John. RIP*

John and Geraldine were wonderful neighbors in Sudley. Our street was BonAir Drive. I'm sad to hear they have both passed.
