“ I took care of John's wife when she was in Hospice. I became very close to John even after his wife passed. He was a story teller and I will miss him. He loved that cat Jasper. Hope someone is caring for him now. It will be an honor to attend his funeral.

*Jasper is safely with me. I call him my grumpy old man, it's like having my dad living with me.
Thank you for all you did for both of my parents.*

I've known both John and Doris since I was a kid living in Arlington, Va. Doris and I were neighbors and John being her boy friend and attending Washington Lee High we all were friends. I'm so sorry to read of John's passing but I'm sure both he and Doris are at peace and living a heavenly life and hopefully seeing many friends that were in our circle, my late husband being one of them. Your mom was one of the sweetest girls I ever knew. We spent many evenings playing sports of all types in her back yard and would take long walks after dinner, Verta (your grandmother even made Doris and I matching dresses to wear when we were teens. Please accept my deepest sympathy.
