“ I've known John since he moved into Hill Place in the late 60's. We both grew up in the perfect cul-de-sac neighborhood. He was a generous friend who let me ride his Big Wheel, eat his candy. We played often and his Mom and Dad made me feel like part of the family. As childhood friends sometimes do, we drifted into different activities and groups of friends but I always counted John among my dearest and first friends I've known. I will miss his humble spirit and his gentle presence. I cannot believe that he and his brother are no longer in this world and I rest on the promise that they along with their father are waiting across the river to welcome those of us left behind.

God bless

“ I graduated with John in 83' from OHS and lost touch with him over the years. I remember him as being a fun loving guy. His smile would light up a room! I recall an incident one Friday night our senior year. We were in John's Monte Carlo... a bunch of us went "cruising" on the strip in Manassas. At some point during the night I got "sick" and threw up in his car! He joked for months that he finally had to sell his precious car because he couldn't get the smell of barf out of it! Good times! Please find comfort in knowing that John is the arms of Jesus. My thoughts and prayers go out to his family during this time. God Bless.
