

Pastor John Lewis Wilcoxon

April 13, 1949 - April 30, 2024

John Lewis Wilcoxon peacefully joined his Lord on April 30th, 2024, surrounded by his beloved family in the comfort of his home. He is the son of the late Glen Wilcoxon and Ruth Robison.

Besides his parents, he was predeceased by his first wife of 38 years, Jacalyn, brothers, Curtis Gillam, Tommy Gillam, Bobby Wilcoxon, sister, LaVonne Bryant, daughter, Nikki Lattimer and a granddaughter, Lolanda Jacalyn Wilcoxon.

He is survived by his loving wife and best friend, Linda, children, Sherri Carmichael, Brigett (Bill) Ruggles, Todd (Lori) Wilcoxon, Melissa (Jeff) Brock, Jonathan (Megan) Wilcoxon, Brandon (April) Lattimer and Nathan (Danielle) Lattimer. He leaves behind grandchildren, Natalie and Bronson Carmichael, Hilary (Jonathan) Clay, Nick Ruggles, Amanda (Tyler) Herndon, Lauren and Billy Ruggles, Amber (Ben) Siron, Derrick, Luke, Kyle and Meghan Wilcoxon, Cole and Kristen Brock, Brayden, Hudson and Jacalyn Wilcoxon, Trevor (Kelsie) Lattimer, Tyler (Bekah) Lattimer, Bekkah (Walker) Holmes, Kirsten and Jessica Lattimer, Madison, Zane and Emmalee Lattimer and 12 great-grandchildren. He is also survived by his sister, Peggy Orndorff and brothers, Darrell (Irish) Wilcoxon, Steve (Gloria) Wilcoxon, and Victor (Karen) Wilcoxon, and many nieces and nephews.

John was born in Urbana, Ohio on April 13, 1949. He attended and graduated from Bellefontaine High School, Bellefontaine, OH in 1968. He joined the Army and deployed to Germany after marrying his high school sweetheart, Jacalyn Ann Barton in 1969.

After serving two years in the Army and being honorably discharged at the rank of Specialist 4, he worked at Wright Patterson Air Force Base and served in the Reserves. He was honored to serve his country and was very patriotic.

John gave his heart to God in 1971 in Ohio and became the new creature spoken of in II Corinthians 5:17 with new desires and a burden to know the Truth and win souls. He received the divine call to the ministry in 1980 to the Manassas, VA Church of God where he pastored the congregation he loved until retirement in 2021. He preached, lived and stood for all of the Truth all of his days. During that time his burden for souls took him on many mission trips to Kenya, Malawi, Guatemala, Cayman Islands, Peru, The Philippines, and Mexico.

John enjoyed playing basketball, bass fishing, fly fishing, woodworking, farming, hiking and traveling. He and wife Linda enjoyed the great outdoors and serving God together. He loved the time spent with his big loving family- from planting gardens, fishing trips with the boys, picnics, church events, to just sitting around telling so many stories as only a Grandpa can do! He was truly the light of life in our family.

The bible says in James 1:17 Every good gift and every perfect gift is from above, and cometh down from the Father of lights, with whom is no variableness, neither shadow of turning.

John was a thankful man for everything in his life, realizing that it was from the goodness of God.

Words cannot adequately portray the kind, caring, gentle, long-suffering, giving and loving man that we all knew and loved.

HE IS MISSED BEYOND MEASURE!

In lieu of flowers, contributions may be made to the Camp meeting Association of the Church of God, 8823 Rixlew Lane, Manassas, VA.

“ What a wonderful man of God Bro. Wilcoxon was! As a child going to campmeeting and then as an adult, now working with the children myself, you could always count on him to encourage each one of the children to stay in the Church of God. His heartfelt love for young and old was very evident in his life. Thankful for all the heroes of the faith! Praying for each one of the family. May God comfort you in the days ahead.

“ Bro Wilcoxon was such a great example to us! He loved such a beautiful life. He was very influential in our personal lives but also for the little congregation in Mercersburg, PA. He always offered the gentle smile, kind word, or some loving judgement. But now he can enjoy Heaven... His home. He made it!

To the family - Stay strong! Be Proud! The warrior has now entered heaven, he's walking on the streets of gold! He has heard the words.... "Well done thy good and FAITHFUL servant!" He fought a good fight! He has finished his course and he finished well!

Much love and Prayers!

“ I have known Bro Wilcoxon for over 25 years. He was a wonderful man of God, an excellent pastor/evangelist and his messages were always timely, on target, and sound. We all eagerly anticipated hearing him preach during CM. He encouraged me when I was a new convert, and was always very friendly whenever I saw him at meetings. I remember when I was going through a very difficult time spiritually and was in the “fog” so to speak. Because of his message during CM one year, the fog lifted and I was able to see clearly how the enemy had been working. He helped the Church come through many battles down through the years and he stood for truth. He would not bend, nor bow, nor burn. He leaves behind a wonderful legacy, and those who are left behind are carrying that same torch that he preached about. God always gets the best. He will be greatly missed. Our thoughts and prayers are with the family and congregation at this time. Love, The Roberts Family. Avondale Church of God, Az

“ I wish there were words to express how much Bro. Wilcoxon meant to me. I am so thankful to have had the privilege to be taught by him! He was full of love and wisdom and yet kept himself so humble before God; because of that he greatly influenced me and many others. I’m so thankful for the times he and Sis. J. Wilcoxon were right there during difficult times in my life. Because he allowed God to work through him, he was such a special man! I will miss him so much!!

“ Bro. Wilcoxon was like a big brother to me, even though we lived on opposite sides of the USA. I first met him in 1980, and heard him preach many times in many campmeetings and revivals. He always spoke with me and treated me as if we were kin. A most notable thing about him was that God used him to ALWAYS get in my sand-pile and declare a shortcoming of mine to the entire audience! Who kept telling him? I can't think of a time where this did not happen. It goes without saying that God's hand was upon him in a special way. I have one more reason to keep pressing on to heaven - wanting to see him again, among others, is an understatement.

“ Bro. Wilcoxon was a very humble man of God. Manassas campmeeting was the highlight of the year for me. I enjoyed being together in fellowship with the saints - worshipping, serving God, and hearing messages of truth as they were preached. Even with all of the duties and concerns the Manassas congregation and Bro. Wilcoxon had - when I would go to shake his hand he would always shake my hand and speak very kindly to me. I was so very broken when I came to Christ and got saved, but he was so patient with me; he knew that I had a lot to learn - it was obvious. He recognized that I was a soul just learning about God and endeavoring to do all that I knew to do. He wasn't my Pastor - Elder Bro. Hines was. Elder Bro. Wilcoxon was a humble, kind and soft-spoken man of God. This made a great impression upon me. He will be greatly missed.

“ Bro. Wilcoxon, a man who lived a life of grace, exemplified 1 Peter 5:5 Yea, all of you be subject one to another, and be clothed with humility: for God resisteth the proud, and giveth grace to the humble.” Humility was his daily attire and therefore Gods grace was his to share with all he met. Always ready to serve, always ready to hear and always ready to share Gods love.
He would always make a few minutes to connect with you and make you feel appreciated. His loving smile and bright disposition is something all of us could use more of in this world.
Words seem inadequate to express our feelings but we rejoice in his reward, are pained for our loss and hope in our future together with the Lord!
Thank you Bro. Wilcoxon for being God’s man and making this world a better place.
We will carry the family to the Lord daily in prayer and carry each of you in our hearts while you grieve.

“ I'm so thankful to have known Bro. Wilcoxon and that he was my pastor for 25 years. He was the perfect example of what a Godly man should be! He always told us to dig into the word of God, to know it for ourselves and to make sure we had a vision of the Church of God! The last message I heard Bro. Wilcoxon preach was on passing the torch on and he was faithful to do exactly that! He had a great sense of humor and every time he saw me at camp meeting, he always reminded me to mess up my hair and to wear my sunglasses! Bro. Wilcoxon was a true and faithful man of God!

“ Bro. Wilcoxon... where do you even begin? Such a Godly man in EVERY aspect of His life.
My Pastor for 16 years until we moved to Oklahoma... and even then continued to be a guiding light to our family.
He was so humble ... and any acknowledgement of his character or life, He ALWAYS quickly pointed the praise back to where it was due, God. I truly can not begin to imagine life without his presence in it, but He left a legacy of TRUTH for us to follow.
To quote a song “Where would I be
If you had not answered the call
Without your sacrifice of love
Only God knows if I'd be here at all
I just want to say thank you
For proving how much you really care
Without all the prayers you've prayed for me
Where would I be?” I'm so thankful Bro Wilcoxon answered the call to the ministry of the Church of God and stood for ALL the truth faithfully! Now, Bro. Wilcoxon, I will carry my candle, run to the darkness, and go light my world!
Love and prayers to the family and congregation.

*Bro. Wilcoxon was a close friend when I first got out of the military, being there to help me with many things to readjusting to be able to serve God with all my heart. I remember when he started preaching one of the first message was *The Hidden Chambers of the Heart* it made you really Stop and think about what you might have there. He was a true leader, example for others to follow in their path to victory. The Church of God will greatly miss him down here but the one in heaven just got a new one to rejoice. There was many times when I was doing things that I knew was wrong, and I thought surely I was going to get a hard lecture, but was met with the softest voice with the best council. The only time I can think of Bro. Wilcoxon being fired up is when there were people compromising this precious truth. He never forced it on any of us, but preached truth with no exception and made it clear that we needed to get in our Bible and know why we believe what we believe. I'm so honored to have been able to sit under him as my pastor and thankful for how his son has stepped right up and is following in his footsteps. He will truly be missed! “Bro John Wilcoxon, so loving, sweet, kind, gentle, patient he exhibited Galatians 5:22-23. When I first got saved in 1985, the Wilcoxon family took me in almost like a daughter, my family and I were always at their table during Thanksgiving each year. I appreciate how both Sis Jacalyn and Bro John Wilcoxon showed much love towards me and my husband. Bro Wilcoxon was a giving man, I remember the first time he allowed me to drive that blue station wagon, but first I had to practice in their drive way because it had a clutch problem. I took the car to use, but I brought it back. In addition, he had his oldest daughter be my friend and we were friends for twenty plus years, The reason he had Sherri be my friend I had backslide one time and did not want to be saved unless my husband got saved but I decided he was not the one I had to answer to in the end but God, and because Sherri and I worked a block from each other and she witnessed to me a lot. I settle it to go all the way with Christ no matter who comes or goes. My husband was on drugs really bad and after I got saved, I left him to move to Manassas where the church was, just to be close. Often, I would go to the altar for counsel and sweet Bro John Wilcoxon with his calm and gentle self would give me a few words that were so powerful he would say “Sister just keep praying for him”. Bro John Wilcoxon had the power of God with him and a great discerner, I always took his counsel, my life has been blessed because of it. Also, I would set my husband up when he would come home after weeks on a drug binge and make him talk to the pastor, it didn’t matter the time, Bro Wilcoxon was always available 12 midnight or 3am. Later I felt bad for calling him those hours, but he was so kind and never reprimanded me for it, I am glad he was patient. Because of him my husband got saved and Bro Wilcoxon has used him in the kingdom. Bro Wilcoxon will be missed greatly, he was like a father to me and my family, and to the Church of God all around the world, he affected many, no word can really express him except he was Church of God all the way, he was a great influencer, plus a great example, he has passed the truth on to carry until God call us on. Bro. John Wilcoxon, we love you and family you will be missed Greatly, we think about you daily, but we know you are with the

“ John Lewis Wilcoxon, a man of Great integrity . A legend in his own time. His legacy as a minister of God is among the top . To mention a few, Bro Bogart Bro Everhart Elder Bro Hines Bro Powell Elder Bro Kline. I have so many memories of Bro Wilcoxon 35 yrs of memories. We met on a basketball floor in 1973 in Bellfountain, Ohio . we were playing against each other and when that game was finished, we were going to play another game and I said I wanted to guard him and he walked over to me and said I want to guard you too cause you're scoring too many points. we introduced ourselves we shook hands and the friendship started . Who knows how many basketball games we played together in that 35 years. How many times we went fishing and hunting . And of course, witnessing for God. We got Thrown out of some homes more than a few times for standing for the truth. I remember one home we went to and the man said he was Jesus . That was quite an evening! Bro wilcoxon was always there for me and my family whenever we needed him, No matter what time day or night. John L Wilcoxon, a saint of God who walked it, talked it, preached it and lived it. Bro. Wilcoxon was a great preacher and a great teacher. Like others have said, he would tell you to study the doctrines of Christ and know them. Have them in your mind and heart. My wife and I were his first marriage performed in Manassas, Va. on Dec. 10-1983. We really appreciated and loved him like a Bro. He was a great influence and inspiration to us to keep pressing on to make heaven our final home.

Br Wilcoxon's presence was always a comfort. Felt like everything was going to be ok when he was here. He made you feel important. Never forget his messages: Carry The Torch message in Mt Tabor Camp Meeting, The Revelation message at the 75th year celebration Manassas, the Revelation message in the Philippines at Camp Meeting which was so fascinating, the translator, Bro Cayago, forgot to keep translating! Many good memories. We'll never forget you Bro Wilcoxon.
