Jose “Joe” Garcia, III, a long-time resident of Manassas, VA, passed away on November 21, 2024, after a long-term illness.

Joe is preceded in death by his parents, Jose Garcia Jr. and Esther Garcia. Joe was born in Washington D.C. and lived in Post, Texas for a few years before returning to Falls Church through graduation from JEB Stuart High School in 1980. Joe eventually moved to Manassas, VA, where he spent the majority of his life. As a young man, Joe’s first job was working at Drug Fair when he was 16 years old. Joe's favorite holiday was Halloween and he enjoyed seeing and giving candy to children dressed up in costumes. As a compassionate father, Joe learned sign language to communicate with his hearing impaired daughter. Joe was a dedicated companion, loving son, father, brother, and grandfather, and he will be greatly missed by all.

“ *I've known Joe and the family since I was 15 and my sisters since high school. You all were and are a second family to me and I'm so so sorry for your loss. Every time I saw Joe he was joking around as if he just wanted to make you happy and make you laugh even when he himself was challenged with health issues...challenges he faced with grace and bravery so when I think of you Joe I know you'll be watching over your siblings. You have earned your wings. Fly high with angels Joe. You will be sorely missed.*

“ My favorite memories of my brother Joe are the times we went to see live bands at Jiffy Lube Live Concert Hall. We always bought the cheap seats and sat in the lawn area. With the scent of cigarettes and marijuana in the air, we just kicked back and forgot about our problems for 3 - 4 hours. At times I remember watching Joe, lip synching to the songs, playing an imaginary guitar, nodding his head to the beats and swaying back and forth with the cool wind blowing in his salt and pepper long hair. We barely spoke when the music played. Just us reminiscing about the old days, the innocent days, the days of good health and minimum responsibility. We enjoyed that scene so much we ended up getting part time jobs at Jiffy Lube Live Concert but not for the money, just to attend free concerts :) He was a bouncer in the first row section and I was in charge of a particular section for crowd assistance. I remember those days fondly and think about Joe.

Joe, I know you fought a long battle but you are rest now. Just know that you are missed and was loved by many. Say Hi to mom and dad and the rest of our departed family members and friends. I have always loved you and wish you nothing but peace and happiness. Save me a seat up there so when I come, we can watch some more rock concerts together! Your loving sis, Dolly
