A devoted catholic, Josie embodied compassion and grace in all that she did. After earning her bachelor’s degree in accounting, she built a foundation of hard work and perseverance that carried through every chapter of her life. On a personal note- My mom loved us all very, very much. Even though we may have endured a few difficult times in our lives, she was always proud of my brother Jimmy and I. She will surely be missed by all who knew her. She will be in my heart and mind forever! I will miss you and love you very much mom...
