“ I just learned of Joe's passing and I am very sad.
He and I worked together at the Manassas Post Office when he was a rural route carrier. I remember when he had the used car lot before Shannon. He had high hopes of doing well in that business and he did.
He was a great guy and a good friend to me and many others. I hope the time that has passed has helped to ease the loss felt by his family.

“ *We first met Joe in 1986 when purchasing a truck from Shannon Auto Sales. He made the experience so easy and made us so comfortable that we went back and bought 12 more vehicles over the past 30 years. Joe was always so friendly and would do whatever he could to help us get the vehicle we wanted. You just knew he was truly genuine when he would ask about your family. Joe will truly be missed. Sending heartfelt condolences to the Harris family. --*
