“ My deepest sympathies to Joey, Debbie and the Scanlon family. Joe and I have been good friends since the 7th grade. Despite Joe and I going in different directions we have always kept in touch over the years. Did you ever have a friend that you may not see for some time but when you do see them, you just pick up right where you left off? That is exactly how our relationship was. We shared a sense of humor that others may not understand or even appreciate. He and I would talk on the phone and at times he we would make me laugh so hard that I would cry. We recently shared a moment during the Olympics where he had me in tears. If you really know Joe then you know exactly what I am talking about. He even seems to have a smirk in the picture above. You were way too young to leave us Joe. I love you and will greatly miss you. Greg
