

Joseph Lawrence Ziolo

March 28, 1942 - September 20, 2021

He carried many names:

Joseph, Joe, PaPa, Great PaPa, Uncle Joe, and Mr. Ziolo.

He kept only a close circle and those within that Circle he cared for deeply. Not many know or understand just how deeply he cared because he had a tough exterior. Family meant so much to Joe, always very close to his mother and close to his sister, Carol. His Pride and Joy was his Two Sons Robert (Bobby) and Lawrence (Larry).

Joe was present and early to every Holiday and Family Event, with the best pie, ice cream cakes, sides, and gifts. He was an amazing cook and loved a good debate. He was known to give to those in need and to his Church that he attended faithfully. His dog Max meant the world to him, as all his dogs have been loved by him over the years, Willard, and Pepper. An outspoken man and very independent, one of the strongest men we have ever known. Joe will be greatly missed by his family and friends.

In Lieu of flowers you can make donations to the Prince William SPCA

Memorial Service will be held at a later date.

“ *The last 3 years I grew closer to Uncle Joe and my Virginia family I'll never forget the day mom and I Surprised you at the rehabilitation center all the way from Buffalo. I spotted you immediately in the center of exercise room by your big blue eyes and then your grin. I will miss your calls and you checking in on me from time to time and picking on me with love ! Rest In Peace 🙏💕*

“ Joe was in my life for a short time- may have seemed longer... I was sad to hear of his passing. He probably doesn't know the positive impact he had on my life and how he influenced the direction it took. When I make a list of the 5 people who had a positive affect on me, Joe is on that list. Although it wasn't always sunshine and rainbows. If not for him- I would not have discovered my ability to play violin (having to practice 1 hour a day made sure of that), I would not have been to our Nations Capital to start my love for history and our government, which I try to instill in my 2 daughters, I would not have gone to Greece- inspired by his stories, pictures and 'Greek fisherman's' cap- probably wouldn't have learned to water ski- and loved to play with his sweet dog, Trixie. As his obituary say's- he had a rough exterior, but, he really did care deeply. Thank you for the good times and giving me what you had to give when you were in my life. You never left my memory or heart- you will always be remembered.

“ Joe, you will never know how much we miss you. You were a good neighbor and a good friend. We have so many memories of the time we spent together. Covid kept us apart for in person visits but we visited most every day by phone. You could still tell me what I should be doing, loved bantering back and forth with you. Sometimes I was right but couldn't usually convince you of that. We won't forget. Our prayers and thoughts are with your family. Rest in peace and out of pain, good friend, John and Faye Riders

“ Mr. Ziolo you will be missed by many. I always saw you when I came to visit and enjoyed holidays with you. I have many memories of the summer at Brenda's and Larry's after your stroke. Who will bring all that food to Thanksgiving.
