“ *I met Josie and Tim years ago at a brunch at Jody's house. What I remember most was how much Josie laughed. She interacted with everyone in such a fun and easy way. I commented on it to her at the time, and she answered that yes, they did always have a lot of fun. What a great mother to have!*

I worked with Joanne during the time she was a home health nurse. When I got cancer and was going through chemo, she sent me a card every couple of weeks. The card only said, "Thinking of you!" Joanne taught me the power of thinking of others. She was a wonderful and classy lady.

Tim, Jody, Tim, and Maura,

For as long as I can remember back into childhood, Joanne has always been a special part of my life. I will never forget the Saturday lunches at Mom Mom Ivers' apartment, the summers in Ocean City, as well as all the holidays and special times we shared together. When I think of Joanne, I will always remember her smiles and laughter. Although I know she will be so greatly missed, I have the hope that one day we will all be together again.

Rest In peace, beloved cousin.

Love,

Lynne
