“ Josh was a very sweet warm and love able guy. I've known him his whole life. We were cousins who grew up so close we all seemed like brother and sister not all cousins get to have that but I'm grateful I did. He could always cheer me up no matter what we had so much fun together as kids spending the night at one another's house going camping I'll never forget him catching all these little turtles and many other trips. As we got older we still stayed close when I found out he was moving to New York I thought I was losing my best friend but really he had a new adventure to go on. I will miss my sweet cousin Josh but I know he is in good hands and is watching over all of us. I love you Josh my heart goes out to my aunt Barbara uncle Paul my cousins James Zack and Mike
