“ Don, Melissa and Ashley, I read all of the beautiful things that people wrote about Josh and how loved he was by everyone. It is so sad that he left us so early, with an amazing future assured, but in his short 19 years it is clear that he impacted alot of people in a very special way. And that had alot to do with the three of you, who provided an environment that shaped him into such an amazing young man. My thoughts and prayers are with you in this difficult time, and always.

“ *My thoughts are with the Morrison family in this time of sorrow. Hoping that you will cherish your wonderful memories. I don't know the family that well except for them being patients at my work. The whole family is very pleasant and delightful when they come in. I had talked to Josh about baseball and the Ravens a few different times. Such a wonderful very polite young man! My heart goes out to the family that you will get thru this tough time.*

“ Dear Morrison Family and Friends,

*I was deeply saddened when I heard of Josh's passing. I was one of the teachers on his 7th grade team. Hearing about the young man that Josh had become was amazing. I was overwhelmed with the amount of people a 19 year old had encouraged and inspired. May the words that were spoken last night at the memorial bring you some comfort.*

“ *Don, Melissa and Ashley,*

*Every now and then, someone touches your life in an undescribable way. The how or the why are unimportant....but the fact that they touched your life; if only for a brief moment is what matters most. Coaching Josh is one of my fondest memories and I will always remember his youthful zest and spirit. We send you our thoughts, prayers and love during your time of bereavement. Yours in Christ,*

“ We are so very sad to hear of Josh's extremely early passing. Although always seeing him rapidly in, out and about, we were nevertheless witness of his growth from a boy to a young man with an entirely promising life before him. Josh was always respectful to us and we were always pleased to hear of his accomplishments. Don, Melissa and Ashley, you are all in our thoughts. Please feel free to reach out if we can do anything for you.

“ I do not even want to believe this and know first hand what the family is going through. I experienced the same thing almost 5 years ago when I lost my 20 year old son in a similar accident. My other son, Zach went to school with Josh and I knew Josh from Patriot where I substitute teach. My heart aches so bad, I woke up thinking of this first thing this morning, tears are in my eyes. We will never understand, but we have to accept. A very difficult task, but you learn to do so. I will be there for you guys anytime. There is nothing I can say to ease your pain. It takes a lot of time. Stick together, love and support each other, and lean on your friends. I am truly so sorry. It is surprising how many of the Nokesville parents have had to deal with this. We are all there for you!
