“ Mrs. Fritter was a very kind person. She was the best bus driver we've ever had. My children missed her when she took a leave of absence and are very sad that she's gone. Please know that our thoughts and prayers are with you, her family.

“ I was saddened to hear of the passing of Ms. Fritter. I am the parent of two sons who ride/rode her bus, # 488 to Signal Hill Elementary. Both my sons really enjoyed her as their bus driver saying Ms. Fritter was really nice and "pretty cool". I wish I could have gotten to know her better as she seemed very kind. May your wonderful memories of her keep you comforted through this time of grief. Deepest Regrets, Virginia Boyd-Ott

“ Our thoughts and prayers are extended to your entire family. Joyce was our childrens bus driver several years ago. She was so kind, always happy and as parents, we never had a worry with our children in her hands. We thanked God for her many times. "Mrs. Fritter" was so dear to my 11 year old daughter, Emma, who was happy to see her back this year, was able to give her a hug and tell her that she missed her. We take comfort in knowing that she is with the angels and in heaven with Emma's dear grandmother who passed away this passed January. May the peace that passes all understanding give you comfort, until you meet again! Emma, Christopher, Kate, Rebecca and Mike Dougherty

“ *The secret and sacred bird now flies To meet the Spirit's vacancy.  
All chaos of life today dissolved; In her a surge of ecstasy.*

*A tapestry of Truth unseen  
Bursts forth within; the Play is begun.*
