“ I was reminiscing about my military career and I got the distinguish pleasure to have Major General Jackson E. Rozier to reenlist me as a young enlisted soldier at Aberdeen Proving Ground, Maryland during the mid 80s. He was a very well respected man who all of us looked up too! Not too many Generals would socialize with the enlistees. He did that by joining us consistently on the basketball court and then have lunch with us! His wife was just as sociable and gracious. May they both continue to rest in peace! SFC Flint U.S. Army (Retired)
