

Judith Ann Davis

December 18, 1957 - December 29, 2017

Judy was born December 18, 1957, in Schroon Lake, New York. She was the second child and only girl of the six children born to Eugene and Virginia Shufelt Davis. Judy was ten years old when her mother passed away, and her father died in 1991.

Following her mother's death, she spent a good amount of time with her Grandma Dolly. Shortly after her high school graduation, she moved to northern Virginia, eventually settling in Sterling Park where she lived for many years. She especially enjoyed going to Algonkian Park and spent many happy hours there.

Judy was an active member of the Church of Jesus Christ of Latter-day Saints. She touched the lives of everyone she met, and many grew to know and love her. She enjoyed cooking and baking and liked reading cookbooks, watching cooking shows, and trying new recipes.

Judy took care of three brothers who pre-deceased her - Walter, Thomas, and Eric – all with the same rare disease which claimed her life, Spinocerebellar Ataxia. Her older brother, John, lived in Utah and passed away in June 2017 from the same disease.

Judy is survived by one brother, David Davis, and his wife, Susan. Judy

moved to Martinsburg, West Virginia, to live with them following Eric's death six years ago. In June 2017 Judy moved to an assisted living facility in Front Royal, Virginia. She passed away in Front Royal on December 29, 2017, at the home of her cousin, Melissa Schall.

Friends and family will gather at 10 a.m. on Saturday, January 6, 2018, at the Sterling Park Ward of the Church of Jesus Christ of Latter-day Saints, 22066 Circle Drive, Sterling Park, Virginia. Funeral services will follow at 11:00 a.m.

Flowers will be accepted at 501 S. Maple Court, sterling, VA 20164 prior to Saturday or at the Sterling Park Chapel on Saturday morning prior to the service.

“ You sweet woman. You were so tough cookie on the outside, and yet, as others have said, you were the kindest, most loving, most supportive person I ever knew. For 33 years I was blessed to have you in my life. You would never hesitate for one second to help a friend in need. You were always there for the boys. You were a rock for us all, a voice of reason, and the person we turned to for comfort. You didn't wear all your wonderful quality on your sleeve, you were prickly until your warmed up to people, but once you did never a truer or more dedicated friend in this world existed. I wish someone would have told me you died. I would have come to pay my respects, but that's okay, I will see you real soon. Until we meet again JuJuBe. Love, CC

“ *Judy, Judy, Judy ... we didn't meet until later in life but you proved time and time again you were quite the character. We were a lot alike, you and I, and I think we understood each other moreso than most.*

Your brave face hid a lot of pain but your heart was as big and warm as the sun. You will be missed by a lot of people but to a person we know you have now thrown off the shackles of the pain you endured for so long you are free Judy, you are free. Rest in Peace.
