“ *Mrs. Fossett was a wonderful teacher and a sweet lady who made an indelible impression on our entire family. My prayers go out to her family.*

“ *My son Zach absolutely adored her as his teacher of his class, 3 years ago at LHS. You could tell just how special she was as a person in the way she treated others. My 3 year old daughter saw it too..she would go with me to pick Zach up or drop him off in the morning. Zoe had never warmed up to any adult, ever, not even family members (except mom, dad). She saw something with Judi though. One day she just walked up and asked her for a hug and kiss...my mouth just dropped open. From that day on, she looked forward to drop-offs and she asked for her hug and Judi gave it to her. I credit Judi for getting her to open up to others. Will pray for you all as she was certainly loved and will be dearly missed.*

“ I knew Judy in high school. She got me my first real job at the phone company. We were partners in crime back then. The most warm hearted person I know. We had our laughs going to Ocean City in her VW for a day. She, Mary Miller and I would hit the ball across the net (tennis) and were thrilled we were able to hit it that we'd run to the net and sit down to talk. Our PE teacher was not amused! We did 'White Rabbit' for a dance routine too, teacher was not impressed. There are so many stories but she was always an angel to me. Carried about everyone first. I love you Judy. There won't be a day that goes by that I won't find you in my heart.

“ *There are so many memories of Judi over the years, but the most important ones are her shining loving spirit that touched us all, her sweet smile; and her love of family and friends (it was wonderful to see how many came to see her and give her their love), gardening, children and crafts - which she was so talented at.*

Words will not ever express how much we will miss her. We know her angel wings are wrapped around all those she loved...

Fly free, dear heart,

Bruce and Kathy Patterson
