

## Julianne Gage Manilli

May 6, 1961 - August 29, 2025

Julianne Gage Manilli born May 6, 1961, passed away from this earthly life into our heavenly Father's arms on August 29, 2025. Julianne was born on Plattsburgh AFB New York. As a military brat, Julianne grew up all over the place from New York to Florida to England to South Carolina to Louisiana to California to New York and finally to Florida by the time she was 18. Her father, Howard Donald Gage, Sr and stepmother, Betty Ann Gage, preceded Julianne in death.

Julianne is survived by her husband, Christian Manilli; her three children, Nicholas, Matthew, and John; her mother Carole Anne Teakle (Lloyd); and her brother Howard Donald Gage, Jr (Jenny).

Julianne was a strong, beautiful person who always exemplified a positive, hopeful outlook towards the future that impacted those who knew her. She had faith. She loved her boys and always wanted what was best for them. She was a great listener and extremely supportive and kind. She loved to give to other people and was always very generous with her time and possessions. Julie had a soft heart for animals and always had a dog, cat, or both in her life. She loved to sing and had a beautiful voice that she shared with others! She excelled at sports, such as volleyball, basketball, and went to states in track. Julianne graduated from the University of South Florida in Tampa with a nursing degree and served in a variety of nursing roles including research

coordinator in which she helped with the early clinical trials to bring synthetic surfactant to fruition, impacting neonatal care everywhere. She also worked in specialty units like the neonatal intensive care unit (NICU). Julianne was always positive, warm, and friendly despite whatever challenges she was facing.

A viewing will be held from 12 – 1pm on Saturday September 20th followed by a service at Pierce Funeral Home at 9609 Center Street, Manassas, VA 20110.

In lieu of flowers, the family requests that donations may be made to the Capital Caring Hospice, The Prince William County Animal Services Center, or any charity of your choice.
