*Julie and I were close friends from fourth through seventh grade, and we stayed in touch through all the years since and visited several times in adulthood. Mindy, Rachael, Deborah and Laura, she spoke so glowingly of all of you and your spouses and children. We texted while she was ill and she told me of the new grandbabies to come. She loved you all so much. I am so sorry for your loss and I will keep you all in my prayers.*

“ *We had a brief relationship, but a wonderful one. Loved it when your Dad had to come to Clearwater, he always took me out to dinner, little old ladies enjoy that.  
I'll be 97 in few weeks. You are such a caring family, love & prayers to all.
