“ *I got to meet June, a couple of years ago. We hit it off and talked for awhile. I could have talked longer, but my ride was leaving. I work with Susan, so anytime I baked something, Susan would take some home for June. I never got to see June again, but it sure was nice to meet that wonderful lady. My condolences to the family.. “ *I was Ms June's caregiver for 3 1/2 years we shared so many good times together, we laughed and shared wonderful memories with each other. We were friends and loved each other so much. I was able to see her on Thursday and Friday and say my goodbyes it broke my heart to see the change in her. Ms June had a wonderful caring family and her daughter and son-in-law were so supportive. I will miss her so much but I know she is in better place*
