“ Oh dear little Justin. You were only a baby when we last saw you. Your mother babysat Candy & Cody in the summer of 2000. Candy cared for you when Christy was doing chores or making lunches. Candy was 9 yrs. old at the time but just adored you. But I want whoever reads this to know I personally saw how much Christy loved her baby Justin and older sons Jon & Jermey. She made them laugh and took care of them. She played w/them as "cool mom" would do. All you children were her love. Rich works hard to provide and I know he will be the man and dad that Jeremey & Jon need right now and into the future. Rich, never loose sight of Christy's love for you. Make her proud of you as she watches from heaven. God Bless. The Green Family

“ Our thoughts are with you. Justin is in Christy's arms, who is in God's arms. Heaven has two more Angels. I think she would say something similar to that. Let's remember how she believed, and how she thought.

We are so sad with you and will keep you in our thoughts and prayers.
