

Justine Noel Carlton

March 30, 1998 - May 11, 2020

Justine Noel Carlton also known as Jay, Baby Jay or Babygirl of Bristow, VA gained her wings on May 11, 2020 at the age of 22. Justine was a beloved daughter, granddaughter, sister, aunt, cousin, niece and friend. Justine was born March 30th, 1998 to her loving parents John Carlton and Shannon McKenzie in Fairfax, VA. Justine graduated in 2016 from Patriot High School and held a job at Manassas Regional Airport, which she absolutely loved. Justine enjoyed water tubing, taking pictures on Snapchat and anything that involved her family, especially her nephews, Ryan, 5 and Kaynon, 2 who called her Tita. Justine had an infectious smile and her presence was always known when she entered a room. She lived by the saying "My whole life is a blonde moment". Justine made an impact on so many people's lives and she will be deeply missed. Services are currently suspended until a celebration of life can be held.

“ Senior year football games and the sleepovers afterwards 😭 Or the before school chick-fil-a runs, very essential.

“ Still don't believe this is real. Such a beautiful kind soul. My favorite memory was talking to you late at night and wondering what it took to get you to hang out!!!! When we would go out it would be the best time. The last time we talked you were wondering if i was going to Ryans birthday parade. I was out of town and you told me how great it was. Love you and your family so much.

“ I'll lend you for a little time, a child of mine, He said.
For you to love while she lives, and mourn when she is dead.
It may be six or seven years, twenty-two or three.
But will you, till I call her back, take care of her for me?
She'll bring her charms to gladden you, and shall her stay be brief,
You'll have her lovely memories as solace for your grief.
I cannot promise she will stay, since all from earth return.
But there are lessons taught down there I want this child to learn.
I've looked the wide world over in my search for teachers true,
And from the throngs that crowd life's lane, I have selected you.
Now will you give her all of your love, nor think the labor vain,
Nor hate me when I come to call, to take her back again?
I fancied that I heard them say, Dear Lord, thy will be done.
For all the joy thy child shall bring, the risk of grief we'll run.
We'll shelter her with tenderness, we'll love her while we may,
And for the happiness we've known, we'll ever grateful stay.
But shall the angels call for her much sooner than we planned,
We'll brave the bitter grief that comes and try to understand.

“ *I still can't wrap my head and heart around the fact your sweet self is no longer here on earth. How lucky are the heavens now.....Rest easy baby girl and spread your wings wide and watch over your broken hearted family and friends. Until we see that beautiful smile again.....*
