

Karen Rhae Dodson

September 20, 1953 - October 26, 2020

Karen Rhae Dodson, 67, of Manassas, Virginia, passed away on October 26, 2020. Karen was born in Williamson, West Virginia on September 20, 1953 to the late Henry and Helen Daniels.

Karen dedicated her life to taking care of her family and was a very active member of Soul's Harbor Church of God for over 30 years, serving on both the drama team and choir with her alto voice. She loved the warm sands of the beach and spent many years vacationing with her family in the Outer Banks. Karen also had a joy for creation and sharing those creations with her loved ones, especially regarding her passion in cooking, baking, and crafts. Karen's favorite season began when the leaves started to change to the red and golds of autumn which often meant it was time for apple picking and a signal that her favorite holiday, Christmas, was soon to come.

Survivors include her loving husband of 51 years, William; daughter Elizabeth Lee and her husband Justin; son William and his children Gavran and Boden Dodson; and brothers Henry and James Daniels.

A funeral service will be held on Monday, November 2, 2020, at 11:00 AM at the Pierce Funeral Home Chapel, 9609 Center Street, Manassas, Virginia, 20110. Burial will follow immediately after at Stonewall Memory Gardens, 12004 Lee Highway, Manassas, Virginia 20109.

In keeping with COVID-19 guidelines and restrictions, face coverings are required, and social distancing encouraged.

“ *Karen had such a soft sweet way of roping you into a role in whatever play/cantata was happening at the time. She was more than accommodating. Her presence during choir time was always a blessing. But it as her laugh and joy she brought to your day even if her day was met by body pain. I always knew she understood how I felt before my back fusion. We bonded over many silly little things. I'm so grateful she was my roommate last ladies retreat. I imagine her worshipping at the feet of Jesus, pain free right now thinking of ideas how to cast us in her next grand production. ❤️*

“ Karen was a remarkable LADY that loved life and appreciated the wonders of GOD's creations. From Kittens (Timber in particular) to the glory of the ocean (especially around the Outer Banks) to the humble bumblebee she saw beauty and wonderments in everything around her. We will miss you Karen and the lessons you brought into all our lives. Karen loved her husband and her children and her grandchildren. She loved her family and her friends and her church family. She loved to laugh. She loved her new house and gave thanks for that house. The strongest thing I can say about Karen is that she LOVED.
