“ *Mrs. Poindexter was a generational educator for our family. She taught me in PE Highschool in the 80's and then became my Daughter's Principal in Middle School in the 90's and then she opened up the Marsteller in Bristow and was my son's principal. She was a great educator and she will be missed. Our thoughts and prayers go out to her family during this time.*

“ My sympathies to you, Brad, and all her family. I worked with Karen when I was PTO president at Godwin MS when my son attended then many years ago. She was a wonderful administrator but she always wanted to be there for your school events. We were sorry to see her go to Marsteller; she wanted to be closer to home for you. She was a very special lady.

“ I am at a loss for words. I was a student at Godwin Middle School from 1991-1994. Mrs. Poindexter was an amazing principal. Great with students but also amazing with the student's families. I can remember one instance in particular. it was September 1992, my mom had taken me to the doctor and what happened at the doctor's office was anything but ordinary. The doctor came in and told my mom and I that I had a tumor and it required immediate surgery. I left the office and met with the scheduler about when to have the surgery, but the doctor continued to talk with my mom. he prepared her for the worse, "cancer". We went to Godwin on the way home and my mom went in to the office to speak with Mrs. Poindexter and she completely broke down. Thank you Mrs. Poindexter for being there for her and me also. You helped me get through that year, you were so understanding about what I could and could not do and I greatly appreciate it. You will be missed by all, especially the students. You will always be in my thoughts and prayers. God now has an amazing angel in Mrs. Poindexter. God bless your family. THANK YOU for all that you did.
