“ To the family of Katelyn Kipp,

Although I never had the honor of knowing Katelyn I do know her stepmom Allison Kipp. We will never know why God takes beautiful souls like Katelyn's from everyone who knew and loved her.

Our deepest sympathy to Katelyn's entire family and friends.

“ *I worked with Katelyn in 2008, I was one of her supervisors.*

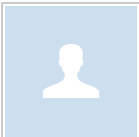

Katelyn was always a team player and a joy to work with. She really did have a bubbly outgoing personality, and we all fell in love with her; she was family.

Each time I worked a shift with her, I remember she would not only wish everyone a "good night", but she would also give each of us a warm genuine hug. She was a real human being and a great person.

Katelyn made friends with all of us there; some became very close to her, building strong relationships that lasted over the years.

I think I speak for everyone when I say that we all were blessed to have known and been touched by such a wonderful spirit as she. We will miss you Katelyn.
