In Loving Memory of Katherine Tracy Flynt

Katherine Tracy Flynt, a cherished mother to Steven Duarte, Deanna Duarte, Megan Duarte, Sara Lehmann, and Daniel Duarte, and a dear grandmother to two beautiful grandchildren Aubree Jones and Bryson Duarte, passed away peacefully, leaving a profound void in the hearts of her family and friends. Katherine's vibrant spirit and unwavering love illuminated the lives of all who knew her.

Katherine found joy in the simple pleasures of life, relishing moments spent watching movies, solving puzzles, embarking on shopping sprees, and listening to classic hits. Yet, her greatest source of happiness was her family, whom she adored unconditionally. Her devotion to her loved ones was boundless, and her selflessness knew no bounds.

A beacon of generosity and compassion, Katherine touched countless lives with her golden heart. Her warmth and kindness had the remarkable ability to transform even the darkest of days into moments of joy and hope. Katherine's legacy of love and altruism will continue to inspire and uplift those who were fortunate enough to have known her.

Katherine leaves behind a legacy of love, laughter, and light that will forever

remain in the hearts of her family and friends. Though she may no longer walk beside us, her spirit will continue to guide and comfort us in times of need. May her soul rest in eternal peace.

“ I went to school and was friends with Sara back when we were in middle school. I remember going over to Sara’s house and seeing her mom and how nice she was to me and making me feel at home. I have since moved away but I’m thinking and praying for their family over this tragic loss. She was such a sweet lady and I will always remember her.
