“ I was very upset to learn about Kathy so late and just had to let you know she was loved by many. I met Kathy through my mother Joy about 39 years ago. Kathy was a great friend of my mother's for many years. She was very inspirational to me as a young women of 18 trying to begin my career. I will never forget her beautiful smile and her funny little giggle. I ran into her at Costco a few times. Once was shortly after her father passed away. She was very heart broken and missed him very much. The last time I saw her we discussed her Spanish class and she was going to get her eyes checked. She sent me an email and told me to go get my baby blues checked too. I would see her chatting with the Costco food preparers just enjoying the moment. I am very sadden to hear this news as is my brother Charles who knew her well also. It has hit home with us very hard.

I can still hear my mom saying how much Kathy loved her nieces and nephews and was always there for them. I often heard your name too Rex in a very loving way. Having lost several of my loved ones and just recently my 5 year old granddaughter I know how hard it is on all the family. I wish you all peace!

With Deepest Sympathy, Ginger

*Ginger, I knew both Kathy and Joy B. I worked with both of them back in 1979 thru early 1980s in the govt. I only learned of Kathy's passing a month or so ago. She sent me a Christmas card every & family letter year and I should have known something was wrong when I didn't get one this year. My thoughts and prayers go out to the family and to yours too for your loss of a grandchild - how horrific that must be. Prayers to all. Terri Wright*

“ *From Elisa : Today I was talking with a friend from Spanish Conversational Club and I learned about this website. I am new in this country and I did not know about the custom for this type of special occasions, but it is never late when someone wants to express feelings. I knew Suzi in this Club and I got the best impression about her. I liked her smile and her good sense of humor. She knew that I am from Perú and she liked the dessert made with quinoa which I prepared in a friendly pot-luck. I will always remember Suzi, who is in peace with the Lord, I am sure about that.*

“ *From Rosanne: Suzi had such a big heart. She welcomed me to the Conversational Spanish Group and demonstrated acceptance and belonging such that I felt safe to come back week after week, though I knew less Spanish than most of the people in the room. She shared some of her journey of illness with me and I feel lucky to have known her. RIP Suzie.*

“ From Addie: Eight years ago, two groups of people joined together so that they could practice speaking Spanish. One our most amazing members of the group was Suzi. She began with the most basic knowledge of Spanish and over the weeks and years managed to hold her own in conversations with more advanced members and native speakers. She was a role model for many newcomers to the group who, like her when she began, were beginners. Suzi was the one who organized all of the group anniversary and Cinco de Mayo celebrations. Our lives are richer for having known her.

*From Hedi; She was always upbeat, and it is said that a positive attitude can do wonders. I feel lucky to have had the chance to know her, and I hope her friendly personality will be a reminder for me for the rest of my life.*

*From John: She was a bright light and will be sorely missed. Hopefully the good Lord has already embraced her in his arms.*

*From Judith: Suzi will always be a model for those of us who are working to achieve a goal in life whether it's learning Spanish or being a good human being.. Shine on, Suzi.*
