“ I just returned from visiting relatives in Vermont. I went right over to see Kay. I was there at 3:10. today  
No information was given to me.  
Now I see this obituary!!  
I did not get to say "see you later" in heaven.  
I treasured our little visits and our blue birds.  
So, till we meet again, it was an honor to meet you

“ I had the pleasure of visiting Kaye every Wednesday morning for a morning stroll or to sit and listen to her many wonderful stories. I learned where she grew up and how she met her husband. She told me of her life and all the places she had lived. It was quite an education. I will miss my Wednesday mornings with her but I will remember her fondly for sharing with me.
